Being part of the „b&m Family“....

...what makes us special?
Hi there,

let me introduce our company b&m to you.

We are specialists in technics, production and logistics with focus on the automotive industry, which gives us the ability to provide global solutions for fasteners.

Curious?

We hold these close to our heart:

- **Stability of the Organization**
  We are a healthy growing independent company within a large international group with a stable financial background.

- **Corporate Social Responsibility**
  b&m cares about our surrounding communities, our future and our environment.

- **Innovation**
  b&m combines development expertise with production know-how and up-to-date logistical systems.

  Problem detected -> Our motivation for innovation!

- **People**
  Our employees are the core of our company. Many individuals, cultures and nations come together to make ONE FAMILY!

- **Training & Career Possibilities**
  We offer individual training programs to all employees for their further development and career opportunities.

  Training makes our minds fit for the future!

- **Being Respectful and Fair**
  We give the same level of respect, whether you are one of our customers, suppliers or own colleagues.
